Technical Skills

Programming Languages: C, C++, Java, Python, **JavaScript**

Stack: **MERN** (HTML, CSS, Tailwind, JavaScript, React, Firebase, Node JS, Express JS, MongoDB)

Database: MySQL, SQLite, **MongoDB**

Programming Paradigm: OOP

Version Control: Git, GitHub

ACHIEVEMENTS AND AWARDS

Solved 800+ Problems in different Online Judges

- **Codeforces:** mdshakibsami 🏆
- **Stopstalk:** mdshakibsami 🏆
- **Leetcode:** 7GZAnrvOL2 🏆

Projects

ROOMMATE FINDER 🏆 | React, Firebase, Node.js, Express JS, MongoDB

- Secure authentication with Firebase (Email/Password + Google) and protected/private routes
- Full-featured roommate listings: users can add, update, delete, and manage their own posts
- Smart Like System: Users have to like others' posts to reveal contact info of the owner
- Fully responsive layout with light/dark mode toggle and seamless page reload handling

BILL MANAGEMENT SYSTEM 🏆 | React, Firebase Auth, Tailwind CSS

- Users can register, log in, access protected routes
- Users view and pay various bills (electricity, gas, water, tuition, etc.) using their account balance
- Prevents paying the same bill twice.
- Users can view their profile (name, email, photo) and update their name and photo

Extracurricular Activities

JKKNIU Cyber Security Club 🏆

Event Management Secretary 🏆

Trishal, Mymensingh, Bangladesh

Education

Jatiya Kabi Kazi Nazrul Islam University

BSc in Computer Science & Engineering (2023 - Present)

Trishal, Mymensingh, Bangladesh

Expected Graduation: January 2027
