

MD SHAKIB

MERN Stack Web Developer

shakib.sami2.0@gmail.com | +8801700534241 | Dhaka, Bangladesh

[LinkedIn](#) | [GitHub](#)

TECHNICAL SKILLS

Programming Languages: JavaScript, C, C++, Python

Database Systems: MongoDB

Web Technologies: React.js, Next.js, Node.js, Express.js, Tailwind CSS

CI/CD: Git/GitHub

Other Skills: REST APIs

PROJECTS

CIVICPULSE | React, Firebase, Express JS, MongoDB, JWT

[GitHub](#) | [Live](#)

- Users can create, join, and manage local social events (e.g., cleanups, plantations)
- Events can be filtered/searched by type or title; only future events are shown
- JWT-secured private routes with user dashboards for managing and tracking participation

ROOMMATE FINDER | React, Firebase, Express JS, MongoDB

[GitHub](#) | [Live](#)

- Secure authentication with Firebase (Email/Password and Google) and protected/private routes
- Full-featured roommate listings: users can add, update, delete, and manage their own posts
- Smart Like System: Users have to like others' posts to reveal contact info of the owner

AWARDS AND ACHIEVEMENTS

- Solved 800+ Problems in different Online Judges
- One-Star coder at Codechef (Max Rating - 1309)
- Codeforces (Max Rating - 921)
- [Codechef](#) | [Codeforces](#) | [StopStalk](#) | [LeetCode](#)
